

Application for registration as a person liable to VAT

Applicant

Name of legal person or self-employed person

Registry code or personal ID code

Please register me as a person liable to value added tax

since
date

obligation to register as taxable person has arisen (taxable supply has exceeded 16,000 euros)

voluntarily (taxable supply has not exceeded 16,000 euros)

Business description

Describe your business activity in brief and give the names of your main transaction partners and clients. Do you use or intend to use workforce? If you register yourself before the fulfilment of the taxable supply in the amount of 16,000 euros, please write whether you have started your business already? If not, then when do you plan to start? Please indicate the addresses of the places of your business, in the case if the business does not take place at the legal address.
